FLUO

MARKER

T.P.

WORK SITE MARKERS

■ Thanks to their outstanding quality, trade names, **FLUO T.P.®** and **PROMARKER®** are archetypal paints for "Civil Engineering Works" marking

■ Fluorescent **FLUO T.P.®** paint, and non-fluorescent **PROMARKER®** paint, short-term for 9 to 10 months* are appropriate for benchmarks on sites, staking, drilling and boreholes

■ **FLUO T.P.®** and **PROMARKER®** are essential tools for site workers

** Natural fast removal in heavily trafficked areas - Depending on types of background materials and application conditions (weather conditions)*

Respect for health & safety
